Tell us what the job demands.

1. Machines serviced and the fluids, volumes and servicing workflow involved.
2. Your site requirements, tow vehicle and expected operating conditions.
3. Required inclusions, complete loaded weight, delivery postcode and support details.

Confirm complete-trailer tare and usable carrying capacity before ordering. Nominal tank volumes do not by themselves establish a permissible full-load configuration.

The RedDirt handover.

Structural cover: 3 years private, 2 years commercial, 1 year hire. Standard parts: 12-month defect cover; specialist items separate. Written terms apply. Earlier purchase promises and Australian Consumer Law rights remain unchanged.

Imported trailers, inspected and prepared in WA. Work through the final equipment, loading and practical details with RedDirt before handover.

Talk through your setup.
