Tell us what the job demands.

1. The tools, consumables and long materials you need to carry.
2. Your electrical loads, daily access pattern and tow vehicle.
3. Your postcode, inspection needs and final supplied inclusions.

The listed tare is not a promise of usable payload. Fitted equipment, tools and water affect loaded mass. Confirm the supplied configuration before use.

The RedDirt handover.

Structural cover: 3 years private, 2 years commercial, 1 year hire. Standard parts: 12-month defect cover; specialist items separate. Written terms apply. Earlier purchase promises and Australian Consumer Law rights remain unchanged.

Imported trailers, inspected and prepared in WA. Work through the final equipment, loading and practical details with RedDirt before handover.

Talk through your setup.
