Tell us what the job demands.

1. Equipment dimensions, mass, loading method and access needs.
2. Tow vehicle, terrain, site requirements and electrical loads.
3. Required inclusions, toolbox layout and complete loaded configuration.

Confirm usable payload, load distribution and the supplied configuration. Do not treat a nominal tare or photograph as approval for a particular equipment load.

The RedDirt handover.

Structural cover: 3 years private, 2 years commercial, 1 year hire. Standard parts: 12-month defect cover; specialist items separate. Written terms apply. Earlier purchase promises and Australian Consumer Law rights remain unchanged.

Imported trailers, inspected and prepared in WA. Work through the final equipment, loading and practical details with RedDirt before handover.

Talk through your setup.
